Daly City Has $8,000 Quota To Meet In Red Cross Drive

NEWS OF OUR MEN and WOMEN IN UNIFORM

Mrs. Babetta Bueren, 3304 San Jose avenue, has received the Purple Heart for her son, **Ernest August Bueren,** seaman first class with the U. S. Navy, who was killed in action in 1942. The scroll which accompanied the Purple Heart was issued at Washington, D. C., from the President of the United States, January 29, 1944.

The presentation was made because of "military merit and for wounds received in action resulting in death."

Bueren attended grammar school here and Jefferson Union high school. He enlisted in the Navy during the fall of 1941, and met his death during the Allied offensive in the Solomons. His brother, Otto P. Bueren, is in the U. S. Army Air Corps.

Walter Cavagnaro, son of Councilman and Mrs. Edmund Cavagnaro, 428 Irvington street, enjoyed a brief leave in Daly City, last week. He left for Marquette university, Milwaukee, Wisconsin, Tuesday, where he is training to be an officer with the U. S. Naval Reserve, under the V-12 program. He began his work there, July 1, 1943, following his graduation from Jefferson Union high school.

Private **Viola Schauer,** Daly City, who is now stationed at Fort Oglethorpe, Georgia, with the WAC detachment, Medical unit, has sent the Record a letter of appreciation. She says she enjoys getting a copy of the Daly City Record, each week. In fact, she makes it do double duty. After she reads it, she clips the most interesting items from it and mails them on to her brother, who's in the Aleutians.

Planning Meeting At S. S. F. Tonight

Daly City's entire official family, including Mayor A. J. Gaggero and Councilmen Edmund Cavagnaro, Eugene V. Lynch, Howard McHugh, and John J. Fahey sr., is scheduled to attend a meeting of a group interested in forming a North San Mateo County Planning council at South San Francisco city hall, tonight, March 2.

Representation at the meeting is expected from San Bruno, Colma, the Coastside, Bayshore, and Brisbane as well as South San Francisco and Daly City.

First session to consider forming of such a group was held at the city hall in Daly City, Tuesday night, February 22. Arthur J. Bodien, Daly City official and member of the San Mateo County Planning commission, made arrangements for the get-together of city officials from communities in the north end of the county.

Most immediate project on which the group seeks action is the construction of an emergency hospital to serve this entire area. It was pointed out that virtually no protection is now available to north county residents.

Another situation calling for immediate study by the new group would be the proposed erection of five war memorials in the county.

It was pointed out by a number of speakers that if the north end of the county was organized it would be much more possible to secure the cooperation of the board of supervisors and of the county planning commission.

City Engineer R. A. Klassen, who has also worked with the other communities considering the formation of the new council, gave an excellent review of the many desirable things which might be accomplished if cities

FRIDAY COURT

Very few cases came to the attention of Judge William J. Sweeney at city traffic court session, Friday afternoon, February 25, in the city hall.

Walter DeBurgh pled guilty to a petty theft charge and was given a fine of $200 or ninety days in the San Mateo county jail. He was unable to pay the fine and Judge Sweeney sent him to jail.

Council Adopts Salaries Ordinance

An ordinance to fix the salaries of the city clerk and city treasurer, was unanimously adopted by the city council of Daly City at its regular meeting, Monday night. It will become effective upon the opening of the new term in April, since both offices are to be filled at the city election, April 11.

Salary of the clerk was set at $200 per month, and that of the treasurer at $75. Each will receive two weeks' vacation with pay, and each is allowed up to two weeks' sick leave, during the year, according to the ordinance, which is published on another page in this issue of the Record.

In a lengthy report listing numerous violations of public health and building regulations, Deputy Health Officer Fred Collins asked that condemnation proceedings be instituted against residence properties at 233 to 249 Los Olivos avenue. The findings resulted from an investigation, made at the request of OPA officials, by Collins, Building Inspector A. J. Bodien, and the county housing inspector.

The properties, at present housing some 13 families, were classed in the report as substandard and unfit for human habitation. Collins reported further that the owner had been given the usual 30-days' notice to abate the nuisance, but declared that, in his opinion, it would be impossible to do so. The council voted to turn the matter over to City Attorney F. E. Hoffmann to start condemnation proceedings.

In a communication read by the city clerk, Hoffmann gave as his opinion, that volunteer members of the Daly City Fire depart-

Draft Board Gets Call For 91 Men

Mrs. Isabelle Flynn, chief clerk, Daly City Draft Board No. 103, announces the arrival of a request for 91 men from this area to report to the armed forces for pre-induction physical examinations, Saturday, March 25. This new system of pre-induction physicals makes it possible to know in advance what men will be accepted by the Army, Navy, Marine and Coast Guard prior to actual induction.

First large group of men who took pre-induction physical examinations reported, Monday, February 21. Nearly a hundred were tested at that time.

Main project at the local draft board headquarters, second floor, city hall, for Mrs. Flynn and her assistants, is the work of reclassification which, with the abolition of the 3-A designation and stricter scrutiny on 4-Fs, means a review of almost all remaining registrants.

Children To Have Easter Vacations

Children of Daly City who attend public and parochial schools are to have a week-long Easter vacation, according to information from Jefferson Union high school, the grammar schools of the Jefferson Elementary School district, and Our Lady of Perpetual Help parochial school.

The public school students will have their week off, **April 3 to 7 inclusive. Last class day for them will be Friday, March 31,** and they will not return until Monday, April 10.

The parochial school will meet Wednesday, April 5, and then be off until Wednesday, April 12.

MAYOR GAGGERO ISSUES PROCLAMATION

WHEREAS, the war in every part of the world is in its most critical stage requiring every ounce of human endeavor possible on the part of those on the home front; and

WHEREAS, the young men of this city are fighting and dying on far flung battle-fronts—from Europe to the islands of the Pacific and in the Far East, both on land, on the seas and in the air; and

WHEREAS, it is not only the privilege, but the duty as well, of every American to serve the Cause of Humanity to as great an extent as possible, and in every way possible; and

WHEREAS, it is our common aim to contribute to the welfare of our sons and daughters in the armed forces, wherever they may be, even to the point of sacrifice; and

WHEREAS, we must also protect our families remaining at home in the event of any great man-made, or natural disaster, which may strike without warning; and

WHEREAS, the American Red Cross is serving our fighting men the world over, bringing them the comfort and cheer that we ourselves would like to give them, and at the same time is prepared here in our own community to aid in the event of disaster;

THEREFORE I, A. J. Gaggero, Mayor of the City of Daly City, in accordance with the proclamation of the President of the United States, naming March as American Red Cross Month, do here and now call upon all citizens of this city to support the 1944 Red Cross War Fund, to the limit of their ability, by contributing to the Red Cross through our own local chapter; and I further urge that the citizens of this city with the knowledge that the Red Cross must carry a greater burden this year than ever before in its history, make their gifts larger to enable the Red Cross to meet every demand placed upon it.

LAST CALL!

Today's the very last date to register for the April 11 city election. Those who have changed residence or who did not vote in the last state election must take care of registration by 5 p. m. tonight if they expect to cast ballots for two councilmen, clerk, and treasurer in the general municipal election.

Registration can be made with City Clerk B. C. Ross, city hall, 75 Wellington avenue, or John J. Fahey, 3 Wellington avenue.

Filing of nomination papers must be made by noon, Saturday, March 11. Early this week no candidates, including incumbents, had as yet filed.

Polls will be open from 6 a. m. to 7 p. m., Tuesday, April 11.

Small Attendance As Senior Wardens Meet

nly a small turnout of wardens was on hand for the Friday night, February 25, meeting of Daly City Senior Air Raid Wardens, according to Chief Warden Harry Melicker. He expressed the hope that for the March meeting, Friday evening, March 31, there would be a larger group in attendance.

Plans for the March 31 session, which will begin at 8 p. m. at the city hall, 75 Wellington avenue, will be announced later.

Launch New Ration Token Plan Sunday

Five blue stamps and three red stamps in War Ration Book Four were validated, Sunday, February 27, for the purchase of rationed foods, according to the San Francisco District Office of Price Administration. The validation of the new stamps was in connection with the launching of the new ration token plan to simplify food rationing.

Blue stamps validated for the purchase of processed foods are: A8, B8, C8, D8, and E8. Red stamps which became valid on Sunday for meats and fats are: A8, B8, and C8.

All the stamps that became good on Sunday will expire on May 20. This represents a period about three times as long as the validity under the old plan.

All red and blue stamps have a uniform valuation of ten points, regardless of the number printed on their face. Tokens were given in exchange for these red and blue stamps beginning on Sunday. Tokens are worth one point each. Red tokens must be used for the purchase of meats and fats under the red stamp program. Blue tokens are to be used for

Name Chairmen For March Project

With a quota of $8,000 to reach, Daly City, this week, began work in earnest on meeting its responsibility in the 1944 American Red Cross war fund drive. Mrs. Joseph M. Conlon, 462 Templeton avenue, has accepted the appointment as chairman of the women's division, which handles the house-to-house canvass of the residential districts. The solicitation of the business sections of the community will be made by Mayor A. J. Gaggero, John Degliantoni, and Joseph Sarto.

Every Daly City man, woman and child is urged to cooperate fully in this campaign. The quota for this community is twice what it was in 1943 and only a full realization of the necessity for generous response will insure success to the local drive.

Norman H. Davis, chairman of the American National Red Cross at Washington, D. C., explained that today the activities of the American Red Cross girdle the globe.

"To the able-bodied men and women of our armed forces it provides club facilities and other comforts. To the sick and wounded in our hospitals it provides cheerful service. It dispels worry and helps in the solution of personal and home problems of servicemen and their families. It carries food and other necessities to prisoners of war. It collects blood for life-saving plasma, recruits nurses and provides surgical dressings for our Army and Navy. The Red Cross stands ready as always to meet disaster from flood, fire or storm. Furthermore, it pledges sympathetic and effective aid to disabled servicemen and their families for as long as required.

"In directing your attention to this graphic presentation of some of the services rendered, I can affirm from personal observation on

Activities of the police department, the past week, were not of the type that make headlines, but included many services of the sort that make Daly City a better place in which to live. No "crimes of violence" were these, but everyday happenings which might, and do, occur in everyone's lives.

Heading the list as major crimes of the week were two cars reported stolen, both of which were later recovered. Saturday morning, Frank Neumann, 6512 Mission street, reported the theft of his Packard sedan, which had been left parked at that address. The report was turned in at 9:25 a. m., and at 9:45 a. m. Officer George Hopman located the car on El Camino real, in front of Woodlawn cemetery, where it had been abandoned by the thief.

Two days earlier, Thursday, February 24, R. T. Williams reported as stolen a Chevrolet pickup, owned by Pete Bassette, 277 Tehama street. The machine was located, February 26, in Bayshore City, by the owner.

Five indignant car owners who had parked at the service station at the corner of Flournoy and Mission streets while attending a show at the Daly City theatre, Sunday night, phoned in to headquarters at 11:40 p. m. that some miscreant had let out the air from all their tires. Officers Ricco Benedetti and Roy Beecher investigated, but the culprits had apparently gone away.

Prowlers on Park and Los Olivos avenues were called to the at-

"The Iron Major" Now At Daly City

Glowing with sincerity and realism, RKO Radio's new starring vehicle for Pat O'Brien, "The Iron Major," opens tonight at the Daly City theatre and will prove to be an impressive human document.

The film brings to life the inspiring career of the late Major Frank Cavanaugh, famous football coach and World War I hero who led his regiment at Verdun with the same dauntless spirit with which he led his grid squads at Dartmouth and Holy Cross and Fordham.

A man who symbolized America and the American ideal of fighting for what a man believes, Cavanaugh imbued his football squads with his own attitude, whipped them to a pride and loyalty and determination that outweighed odds of size and strength, and brought his teams long strings of victories.

The outcome is a notable and brilliant motion picture that covers in compelling fashion the whole of Cavanaugh's career from his school-boy days in Worcester to his death ten years ago, points up with telling clarity the motives that lay behind his actions, and the inspiration that he furnishes to every American today.

In the title-role O'Brien gives one of the finest performances of his many years on the screen, a performance for which he is ideally fitted. Ruth Warrick does a splendid job as his understanding wife, and Robert Ryan is extraordinarily convincing as the young priest. Leon Ames, Bruce Edwards and Russell Wade are also outstanding in supporting roles.

THE IRON MAJOR RETURNS

In this scene from RKO Radio's film "The Iron Major," based on the life of Major Frank Cavanaugh, war hero and noted coach, Pat O'Brien (right) in the title role, is greeted by his wife (Ruth Warrick) and lifelong friend (Leon Ames). Robert Ryan is also featured in a leading role in the important picture, which is the current attraction at the Daly City theatre.

Permission was granted the Red Cross to have painted, on Daly City sidewalks, signs calling attention to the War Fund campaign.

Mayor A. J. Gaggero presided over the session, with Councilmen Edmund Cavagnaro, Eugene Lynch, Howard McHugh and J. J. Fahey, present. Other officials in attendance were City Clerk B. C. Ross, Chief of Police James Reardon, Fire Chief Andrew Chesney, City Engineer Robert Klassen, Collins and Bodien.

Chief James G. Reardon reports the extradition of Jennings Stump, Monday, who had been held in the county jail since January 28 on charges of carrying a concealed weapon. Stump was handed over to officials of West Virginia, where he was wanted on charges of jail breaking.

the purchase of processed foods.

OPA officials emphasized again that consumers do not receive tokens until they have been given in change by retail food dealers. Ration books will not have to be shown in order to spend tokens. This one-point ration currency may be spent by any member of the family.

The new plan for token rationing was designed to work with the red and blue stamps of Book Four. However, a few brown and green stamps still were valid when the new plan went into effect, Sunday. These stamps — Brown Y and Z in Book Three and Green K, L, and M in Book Four—will be good until March 20, but they will be worth only their face value of 8, 5, 2, and 1 points.

NOMINAL CHARGE FOR SERVICE

TIPS ON TAX RETURNS

The law requires members of the armed forces stationed in this country to file federal income tax returns by March 15, but under the provisions of "pay-as-you-go" the majority of service returns will result in refunds rather than tax payments, according to Harold N. Graves, acting commissioner of Internal Revenue.

Each member of the armed forces should send his 1943 returns to the same internal revenue collection office where his 1942 return was filed, attaching Form 1125, which he should have received from the collector, showing the amount of his 1942 tax and how much was paid on it.

Service personnel on sea duty or outside the continental United States are not required to file returns or pay taxes until after they come back or after the war ends.

Servicemen are advised that:

1. The first $1,500 of last year's active service pay is not taxable and should not be included in income. For instance, an officer whose base pay last year was $2,000 would report only $500.

2. If the serviceman's 1942 tax was larger than the tax on his 1943 income, he may recompute his 1942 tax under a special formula which may result in reducing the 1942 tax to the same amount as the tax on 1943 income. Advice on how to figure the recomputation may be obtained from any collector of internal revenue.

3. If a married serviceman has no taxable income, and his wife is filing a separate return, she may use all of their $1,200 personal exemption by claiming the amount on Form 1040, or by checking block number 4 on the back of Form 1040A.

4. If a serviceman is abroad and his wife's own income is less than $1,200 she may also postpone her return until he comes back.

6. Dependents of servicemen should not include in their income any amounts received as allotments or family allowances.

NEWS OF GROUP 141 ACTIVITIES

At a recent meeting of den mothers and den chiefs, Boy Scout Group No. 141, Cub Executive Garriot from San Francisco headquarters was principal speaker. The session was held at the home of Mrs. Frank L. Morgan, 178 Parkview avenue. Other den mothers present were Mrs. E. O. Morrow, Mrs. Sidney Raine, and Mrs. H. Adami. Den chiefs in attendance were Robert Sayko, Raymond Lagomarsino, Edward Smith, Alfred Christensen, and Erick Durkins.

Due to a heavy downpour the planned outing for the Cubs on Washington's birthday had to be postponed until Saturday, February 26, according to Cubmaster Joseph Straughan, who reported that the 19 Cubs who showed up, February 22, denied being able to see the rain. Ten boys and Straughan enjoyed the February 26 outing to Cypress Grove at Sharp Park. With "Soy Bean" for transportation and "Solamagoozlem" to augment their own lunches, the boys voted the day a success.

Two Boy Scouts, Alfred Christensen and Edward Smith, took a 14-mile hike last weekend in connection with passing their first class tests. They struck out across country, Friday, after school, to Cypress Grove where they put up a pup tent and spent the night, returning to Daly City, Saturday, February 26.

Sunday, February 27, Den Chief Christensen presented a wall plaque to Robert McCune at Sunday school for his untiring efforts at recruiting new Cubs for Group No. 141.

RED CROSS MONTH

The month of March is Red Cross Month—a month in which to help a grand organization devoted to helping humanity.

During March the Red Cross will seek to raise 200 million dollars which is its 1944 minimum war-time need. This amount is greater than last year because the need is much greater.

With the full support from both individuals and business which the Red Cross so richly deserves, there can be little doubt that the goal will be achieved. Retailers, both chain and independent, are planning to increase their donations in keeping with the increased need, and they also plan to display posters and do whatever else is possible to make the drive a success.

This cooperation by the retailers is but one example of the spirit that can be expected the nation over in backing the Red Cross drive.

It requires no recitation on our part of the many activities carried on by the Red Cross to make every one of us realize his responsibility in giving all he can in support of it. Let us not wait until we are asked—let us give sponstaneously—generously.

Help the Red Cross to help those in need.

CHOOSE YOUR GOVERNMENT NOW

Fifteen states have endorsed the proposal to limit by Constitutional amendment the peacetime taxing power of the Federal government to 25 per cent on incomes, gifts, and inheritances. This issue is not merely one of taxes. The people of this country must decide what kind of government they will have after the war.

Robert B. Dresser stated the issue clearly when he said: "Necessarily involved in this controversy as to taxes is the question of whether our system of free enterprise is to be replaced by national socialism. Under free enterprise the capital required to provide jobs is furnished by the individual, and ownership of the business is in him. Under socialism the capital is furnished by the government, and it becomes the owner."

There is only so much capital in the nation. If the taxing policies of government result in government absorption of private capital, the nation automatically becomes socialistic. This country is headed that way. American Federation of Labor spokesmen observed in 1940: "As labor and industry survey what has happened to labor and industry in those lands where all powers have been concentrated in the central authority, they fear and oppose the steps which thus far have been taken here, to enlarge the dominion of the Federal government over the lives and fortunes of the American people."

Since 1940, momentum toward the socialized state in America has increased—wholly apart from the war emergency.

TRUK—AND TWO YEARS AGO

On February 15, 1942, Singapore, the symbol of British might in the Far East, fell to the hordes of Hirohito.

From there the enemy avalanche poured down across the Dutch East Indies to the very gates of Australia. The combined strength of the British, the Dutch and ourselves was wholly inadequate to stem the tidal wave as it rolled over one island after another.

Those were black days. Many of us feared—and with good reason—that the Japs with such great natural resources in their control might be able to hold indefinitely the territory they had conquered.

Let us now turn to February 17, 1944—just two years and two days after the surrender of Singapore. The American Pacific fleet, built almost from scratch after the disaster of Pearl Harbor, is making an audacious attack on Truk—the very heart of Japan's Pacific defense.

Behind this mighty armada lay a long string of victories that have made this attack possible.

Few of those who understood the gravity of the situation in early 1942 could have dared to hope that just two years after Singapore we would be striking back not only at the outer rim of Japan's Pacific empire, but at its very core.

That we have been able to do this is a further proof that the courage and determination of free men to remain free is a more potent force than all the fanaticism and fury of our enemies.

We have risen from the depths of disaster and despair to fight our way back. There is still a hard road ahead, but we know that we are going in the right direction. Truk is one of the milestones along that road.

Folies Bergere Nears End of Winterland Run

The colorful and sparkling Folies Bergere of 1944, which has been delighting audiences nightly at Winterland in San Francisco for two-and-one-half months, is now in its final weeks of its Northern California showing, it has been announced.

Clifford C. Fischer's spectacular new production, which brings the color and gayety of pre-war Paris to the stage at Winterland, will hold nightly and Sunday matinee performances for the rest of the engagement, it was stated.

Fischer and his staff of theatrical experts have blended gorgeous fantasy, saucy French comedy, roaring slapstick and the thrills of a circus in the 1944 Folies, which presents a cast of 120 persons, including a galaxy of internationally - famous vaudeville stars and 80 beautiful girls.

Some of the most novel and extravagant costumes ever seen in San Francisco were created for the all-new Folies, as well as an abundance of fantastic properties and sets.

George J. Campbell, general manager of Winterland, announced today that tickets for the final weeks may be purchased at the theatre, Post and Steiner streets or at Sherman Clay box offices in San Francisco and Oakland.

All supplemental mileage rations issued after March 1 will be in the form of the new serially numbered coupons, but the present C-2 and B-2 coupons now in possession of motorists will be valid until their expiration date. READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

One weekend back in the age of automobile pleasure tripe, the writer Anya Seton and her husband went for a drive up the Hudson River Valley region. It was on this trip that an old manor, alleged to be haunted, was pointed out to her.

ANYA SETON

She made other visits to this region after that and became increasingly interested in the life that flourished along the river a hundred years ago. Out of her research has come her exciting novel, "Dragonwyck," about a haunted house and the people who lived in it.

The story concerns Nicholas Van Ryn, who ruled estates of Dragonwyck in a system of medieval feudalism; of Joanna, his fat and food-loving wife, and her mysterious death; and Miranda, the golden-haired romantic young girl who unwittingly becomes involved in the sinister fortunes of the great house. Among the personages who play an incidental part in this story are a tortured young poet named Edgar Allan Poe, a sailor, Herman Melville, whose powerful first novel, "Typee" causes such a stir in literary circles, Mr. P. T. Barnum and Tom Thumb, and Martin Van Buren.

Anya Seton is the daughter of Ernest Thompson Seton, who many years ago won over the youth of America with his stories of animals and wildlife. "Dragonwyck" appeared originally in the Ladies Home Journal and is on the way to becoming a major film.

Jesse Stuart reports that one-fourth of the entire population of his home town—Greenup, Kentucky—is reading his novel, "Taps For Private Tussie." Greenup's population is 1,125. "The old men back in the hills are having their glasses refitted so they can read my book," writes Jesse. "Many of them can't read a chapter in a day, they read so slowly. Yet they are reading it."

recent inspection trips that your Red Cross is faithfully fulfilling its obligations at home and abroad."

Leaflets describing the work of the Red Cross are being distributed locally by Scouts and Cubs of Group No. 141, who were commissioned by O. W. I. to act as dispatch bearers.

Mrs. Conlon will hold a meeting to map city-wide plans with her workers, today, March 2, at 2 p. m. in her home, 462 Templeton avenue. Any local woman who could help in this worthy cause is urged to be present. Full explanations will be made at the session of the duties involved in the canvass. Volunteers, unable to attend the meeting today, but anxious to help, may contact Mrs. Conlon by telephone at JUniper 4-6111.

For those residents who are seldom home and feel that they would likely be missed in the house-to-house canvass, Mrs. Conlon advises that donations may be made by check (issued to the American Red Cross) and mailed to her address. Likewise, the three men covering the business districts announced that checks could be mailed to Degliantoni at 6301 Mission street.

In the nearby Town of Colma, E. A. Weisenburger is war fund chairman.

Goal for San Mateo county as a whole is $234,000. Daniel G. Minto, county chairman, gave the following reasons why the San Mateo County chapter needs this sum:

"In 1942 this chapter gave help to 1600 servicemen or their families. In 1943, 10,528 have been aided.

"During the past 14 months medical discharges were received by 400 servicemen in San Mateo county. The Red Cross gives services to all discharged men in filing claims and advising them during the period when claim is pending.

"One thousand seven hundred and nineteen pints of blood were received by this Red Cross chapter in 1942. 5,312 pints were received in 1943.

"(The military has requested 6,000,000 pints of blood from the National Red Cross for the coming year . . . Will our Chapter be able to fill its share of this quota?)

"In 1943 the Motor Corps travelled 13,000 miles. In 1943 it travelled 61,072 miles.

"The Camp and Hospital service furnished ten dayrooms for members of the armed forces in local camps during 1942, and wrapped 3,200 Christmas packages. Last year this service furnished thirty day rooms and wrapped 5,000 Christmas packages.

"In 1943 five times as many surgical dressings were made as in 1942. This department also makes and fills soldiers' kits. More kits, knitted and hospital garments are needed for our men every day.

"One hundred thirty-eight nurse's aide certificates were issued in 1942, with 20,375 volunteer hours given. During the past year 187 certificates were issued, with 51,305 volunteer hours completed.

"Four visiting nurses made 7,590 visits to 1,637 cases in 1942. Six visiting nurses made 12,728 visits to 4,127 cases in 1943.

"The Red Cross is 'at his side' all over the world . . . in 56 theatres of war, and in the home front in 3,756 chapters with more than 6,000 branches.

"Therefore everyone must double his 1943 contribution for 1944 because the cost of Red Cross services will increase due to its mounting responsibilities to those who need its services."

Signs of Spring

THE days are still short; half the nation shivers under a blanket of snow—but there are signs of spring everywhere if you know where to look for them.

They are little things—such as new seed catalogs, ads clipped from magazines, reminders, scribbled on backs of envelopes, of things to be done.

Thousands of men, all over the country, are making such notes, looking ahead—farmers, manufacturers, storekeepers, bankers. They represent what is called "management," and they know that to make the most of *any* season requires pretty careful figuring.

There's a skill in this management. It's a skill that men who run things have in common—that men who run things *successfully* have *got* to have. Management's problems are a good deal alike, no matter what the business—getting help, meeting payrolls and tax payments, making ends meet and having a little left over for new projects, planning for the future without letting the planning interfere with the job in hand.

And when you talk with these men, you find they have the same objectives, too. Right now they want to get the war won at the lowest possible cost in lives and suffering. After that's done, the 'll be back on their never-ending job of turning out the material things needed to make a better peacetime world. *General Electric Co., Schenectady, N. Y.*

Announce Special Services For Lent

Special services for Lent are being held at both Catholic churches of the community, Our Lady of Perpetual Help church, 60 Wellington avenue, and Holy Angels church, San Pedro road.

Father Adrian McKenna reports that masses are held each week-day morning at 6:30 and 7:30, and devotions each Tuesday, Wednesday, and Friday evenings at 8 o'clock at Our Lady of Perpetual Help church. In addition, on Friday afternoons at 3:45 there is a service for children of the parish. The Tuesday devotions are in honor of Our Lady of Perpetual Help. Wednesday there is a rosary litany, a sermon and the benediction of the Blessed Sacrament. At the Friday afternoon and evening services, the Way of the Cross and a benediction are given. There are Sunday masses at 6:30, 8:30, 10:30 a. m. and 12:15 p. m. Holy Week services will be announced later.

At Holy Angels church a novena mission in honor of Our Lady of Perpetual Help is being held under Reverend Father F. X. Darmady, Redemptorist Father of Oakland. The novena began, Sunday, February 27, at 7:30 p. m. with a special prayer, sermon, and benediction of the Blessed Sacrament. It continues all this week with masses and sermon at 6:30 and 7:30 a. m. and an evening service at 7:30 p. m., according to Father James Sorasio, pastor. To Observe Public Schools Week, April 24

Calling on all members of the Masonic fraternity to cooperate in the twenty-fifth observance of Public Schools Week, beginning Monday, April 24, Claude H. Morrison, grand master of Masons of California, today in a statement issued at San Francisco, urged that the 130,000 members of the fraternity "join with the school administrations in making Public Schools Week an occasion for rededication to the principles for which they stand."

"We should not be true to our traditions if we failed to recognize Public Schools Week," the statement, addressed as well to the public, continued. "Our fathers and mothers went there, we are products of the public schools, our children are crowding them now. The great responsibility to perpetuate this truly American institution rests upon us and we can help by visiting the public schools during the coming week and learn more about what they are doing in these war worn days.

"In other countries many beloved and useful institutions have not survived the ravages of war. We, however, are fortunate because the great army of American school children continues to march to school every day to learn new lessons of freedom, courage, inspiration, fair play and ingenuity, and millions of school boys and girls now grown up are fighting and working all over the world to make these lessons come true."

"The Schools and Post War Planning" will be the general theme for the coming observance. Last year over 1,000,000 visitors attended their neighborhood schools during the week.

Need Volunteers For Port Security

Volunteers are urgently needed by the Volunteer Port Security Force of the United States Coast Guard to patrol the San Francisco waterfront twelve hours a week, thus releasing Coast Guardsmen for active duty.

Members of the Port Security Force serve two six hour watches a week. A full course of instruction on duties is given. Opportunities for promotion are provided through the Petty Officers School and the Officers Command School. Applications may be made at 244 California street.

Inquiries may be directed also to the following Ensign Rosanna Eckhardt, Bureau of Research; Yeoman Second Class Alice Gerstenberg, Monroe school; Lieutenant Commander Robert F. Gray, deputy superintendent, 93 Grove street; Seaman First Class John Leith, Aptos junior high or Balboa evening high schools; Lieutenant (j. g.) Hudson Monroe, Lowell high school; Yeoman Second Class Ruth Samuelson, Aptos junior high school; Seaman First Class Evelyn Spellman, Grattan school; and Lieutenant (j. g.) Raymonde Theill, Everett junior high school.

"Desert Victory" May Be Borrowed

"Desert Victory," official British army record of General Montgomery's 1300-mile advance from El Alamein to Tripoli, may now be borrowed from the University of California Extension division at Berkeley or Los Angeles.

The film has been made available for distribution through the Office of War Information. Schools, war plants, organizations or other groups may borrow "Desert Victory" by writing to Visual Department, University Extension, at either Berkeley 4, or 813 South Hill street, Los Angeles, 14.

Filmed in 16 mm sound, 62 minutes in length, this is an epic story of modern warfare in its total impact of fury and drama. Produced by 27 battle photographers and six officers, enacted by British troops in combat, and further documented by captured German film, "Desert Victory" is a great war annal.

Extended Day Care Division Reaches Quota

The extended day care division of the center maintained in Excelsior school, London street and Excelsior avenue, for the youngsters of working parents is temporarily closed to new enrollees, according to Mrs. Helen Nilon, head teacher. The number of children in this group has increased to capacity. However, parents are invited to add their children's names to the waiting list.

The Alemany nursery, in the same location, still has facilities to take newcomers. Information about both divisions may be had by calling RAndolph 7018.

Lions To Act As Hosts, Mar. 5-11

No dainty young thing in an organdy apron, no motherly matron with a kind smile will greet boys from the armed forces at the Daly City Servicemen's club, 6201 Mission street, during the week of March 5 to 11 inclusive. This change does not mean there'll be any dearth of hospitality at the popular center. It just means that next week's "hostesses" will be hosts, all members of the Daly City-Colma Lions club, which numbers no women in its membership.

The Saturday night dance will be held as usual, March 11. The February 26 event was a "Sadie Hawkins" dance with the girls dressed in gay gingham dresses. There was a big attendance for it and the evening was most successful, according to the committee.

Hostess organization during the current week is the Mothers Club of Our Lady of Perpetual Help school.

MRS. AMERICA MEETS THE WAR

Here's a tip. Don't begin pressing your dealer for one of the new electric irons for which the War Production Board has authorized manufacture. Few of the new irons will be available in retail stores before the middle of the year; production will be limited to plants with available labor and where there will be no interference with war contracts. Only two million irons will be manufactured as compared to the peak production of five million in 1941.

Lady beware and don't use stamp No. 40 in War Ration Book Four to buy sugar unless you intend to use it for canning. Stamp 40 is only for canning sugar. So you have no right to the five pounds of sugar it will provide unless you use it for this purpose. Stamp No. 40 is good through February 28, 1945. If your needs for sugar are greater as the canning season advances, you may apply to your local board for more than the five-pound allotment for canning. Stamp No. 30 in Book Four is currently valid for five pounds of sugar for general use.

Speaking of canning, Mrs. America will find the rubber rings for canning this year will be made of reclaimed rubber and synthetics. The experts say that the wartime rings will require somewhat different handling. So look for the instructions given by the manufacturers. Another canning note—there will be approximately 500,000 enamel water bath canners manufactured this year.

Mrs. America will have a longer period over which to budget her points now that the new streamline food rationing program provides for validity periods of approximately 12 weeks for blue and red ration stamps. The first set of blue ration stamps in War Ration Book Four—A8, B8, C8, D8 and E8 was validated, February 27 to expire, May 20. Red stamps A8, B8 and C8 in the same book are good for meats and fats purchases until May 20 also.

And speaking of foods, Mrs. America's family has been well fed despite the huge war requirements for foods. Records reveal that civilians consumed from 5 to 7 per cent more food in 1943 than in the pre-war period 1935-39. According to the record keepers, the civilian diet of 1943 was superior from a nutritional point of view to the pre-war diet of 1935-39.

Tips to motorists who would keep black marketeers from siphoning gasoline from the limited civilian supply illegally: Don't buy gasoline coupons or accept as a gift stamps not issued to you by your local board. Don't buy gasoline without giving up the proper coupons. Don't apply for more gasoline than you know you'll actually need for essential purposes. Do write your license number and state of registration on every single gasoline coupon now.

Jaysee Men Will Hold Smoker

Men students at San Mateo junior college will hold their Spring smoker program, tomorrow evening, with Don Dunn, Men's club president, in charge of arrangements.

March 15 the junior college will again give the Army and Navy test for the Army Specialized Training program and the Navy College V-12 program. Students from 17 years to 20 may qualify for the Army and Navy tests, and students 20 to 22 may qualify for the Army test also.

With the opening of the drive to raise funds for the American Red Cross, San Mateo junior college will start its drive to raise its fund quota. Students will raise their set amounts in various ways. For one thing they plan a big dance in the college gym, March 18. Funds from this dance will go into the college quota. To increase interest and their funds, the students have organized a contest for a King and Queen of the dance. At present, four popular boys and four popular girls are in the race. They were chosen by a preliminary student vote and now will compete for the honor of reigning at the dance. Students will contribute to the Red Cross fund by buying votes for their favorite candidates. The contest will continue, this week.

ROLL YOUR OWN turban to accessorize a costume with matching scarf. CBS actress Gertrude ("Perry Mason") Warner takes a 27 or 30-inch square, folds it into a triangle; then turns back the two corners at the folded edge to meet the centers of the opposite sides. Roll from the point of the scarf three-quarters of the way up until sides are tucked in. Turn inside out and wear plain or decorate with clips.

Congressman Anderson Writes Home

JOHN Z. ANDERSON
8TH DIST. CALIFORNIA

Congress of the United States
House of Representatives
Washington, D. C.

February 28, 1944

To My Friends In The Eighth Congressional District:

Our forefathers in drafting the Constitution, wisely provided that every two years our Congressman should come before the people to give an account of his stewardship in national government. Then we examine his record, and express ourselves accordingly. No public official stands closer to the people, and none must account for his service more often.

Therefore the time has come again for me to stand for re-election to Congress, and again I find the press of national business precludes my coming home to campaign. I believe you will agree I should not desert my post in these momentous times to engage in politics.

Since Pearl Harbor Congress has been in almost continuous session, and I have been privileged as a member of the Naval Affairs Committee, to take an unusually active part in our war program, and to have first-hand information upon its conduct. Much of this information, together with that concerning other national affairs, I have passed on to you in my monthly radio talks, and through the courtesy of the press.

We ARE winning this war, but we must realize we have a long and difficult road ahead. Victory WILL be ours, because we fight in the cause of freedom and justice for all people. Perhaps, the greatest task will be the writing of such a peace as will insure security and happiness for our children for generations to come.

With my return to Congress you may be assured of the same full measure of devotion to our nation's well-being, and to your interests. I pride myself upon fair and impartial representation for all of you. To achieve this, it has been necessary for me to turn a deaf ear to pressure groups with selfish proposals, but this shall continue to be my policy.

Because I cannot return to enjoy greeting all my friends and neighbors personally, I must rely upon you to carry on for me, if I am to continue as your representative here. For nearly six years it has been my honor to serve you through some history-making times, an honor that I cherish, and hope will continue. With my future in your hands, I look forward to the vital days ahead with confidence and courage.

My kindest personal regards to all of you.

Sincerely,
Jack Anderson

30 DAYS' NOTICE ON STAMP 18

The public will be given 30 days' notice, should it become necessary to terminate Shoe Ration Stamp 18. This announcement was made recently by OPA to "kill" scare-buying rumors that the validity period of Stamp 18 might be cancelled with only 24 hours' notice to consumers.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

Two Grand Top-Offs

A TASTY dessert and a really good cup of coffee make the perfect climax for any meal. And when that meal is a ration-scant one, the right dessert makes it seem much more satisfying. Have enough coffee for a cup with the main course, as well as with the dessert, for the addition of coffee will help mightily toward making up for any shortcomings there may be. Of course, you will want that coffee to be the very best. One way to achieve this is to use plenty of coffee and to make the full amount your coffee-maker calls for.

Rice Ring with Coffee Cream is an inexpensive and tasty dessert. It's the Coffee Cream that does the trick. And now that there is plenty of coffee available, you can use this delicious flavoring to add interest to many of your favorite desserts. This Rice Ring is not only inexpensive, it requires no ration points either. And what is more you can make the whole thing in practically no time. The entire family is sure to like this new way of serving a rice dessert. Here is the recipe. Of course, it's tested.

Rice Ring with Coffee Cream

½ cup sugar
4 tablespoons flour
¼ teaspoon salt
1 cup cold strong coffee
1 cup milk
½ teaspoon vanilla
1 cup rice, boiled or steamed
2 tablespoons raisins
Halved almonds

Mix sugar, flour and salt in top of double boiler. Stir in coffee and when well blended, add milk. Stir over hot water until mixture is smooth and begins to thicken. Cover and let cook 5 minutes. Add vanilla. Arrange rice in ring around serving plate and fill center with coffee cream. Garnish rice with raisins which have been scalded in water and drained, and garnish cream with halved almonds if desired. Serve hot. Yield: 6 servings.

JUNIOR RED CROSS

Last weekend, Daly City's Junior Red Cross sent the following articles off to headquarters for distribution: thirty cushion covers, one hundred ditty bags, fifty "housewives."

The cushion covers are very attractive and, as announced in last week's Record, cooperation of local women, who might have scraps of printed and plain materials, new and suitable for the making of cushion covers, is asked.

Any Daly City woman who has such scraps and would care to donate them to the Junior Red Cross may have her contribution picked up by dropping a postcard with her name and address on it to the Administration building, 344 Santa Barbara avenue, Daly City, 25, California.

AT JEFFERSON

The eighth grade art corner has some pleasing pen and ink drawings, this week. They are original sketches by the pupils designed to show the effectiveness of various types of pen and ink technique.

The seventh grade began their lessons in puppetry by making various puppet heads from potatoes. They selected their own characters, such as marines, soldiers or people in every-day life. When the characters are finished, each student will have to perform before the class with the puppet he or she has made. Later, a finished puppet show will be given by the class members.

Angelo Gianni, Doris Varni, Paul Millbanks and Aida Johnson made unusually clever puppet heads.

The sixth grade has ancient civilization for its social science unit. The children are making a class book that is to contain many interesting facts and pictures about lands and places that are called the "Cradle of Civilization." Louis Raggio gave an excellent report on the Rosetta Stone. He illustrated his talk by showing pictures of the stone and various kinds of hieroglyphics.

The second and third grade art corner has some nice pictures of contented dairy cows grazing in ideal dairy farm pastures. The first grade is also expressing itself in pictures. They are doing an ambitious cooperative vegetable garden mural. This will include characters from the story of Peter Rabbit and will be a colorful panel when finished.

AT WOODROW

On Monday, February 21, the Woodrow Wilson student body had a debate "Who Was the Better President?"

Both sides presented evidence of much study on the subject.

A program honoring the birthday of George Washington was presented in Room 4 by the following pupils: Gerald Rihe, Washington's boyhood; Mary Ruth Summers, Washington as a general; Claire Allen, Washington's Memorial; and Washington as President, presented by Arthur Rud, chairman.

The students in Room 8 have been spending their last two art periods making bookmarks and envelopes, in which to keep war stamps. They have been decorated with pictures and silhouettes of Abraham Lincoln and George Washington.

Room 9 is studying the life of the cave man. In this research work they found many interesting facts about the every-day life of early man. Oral topics were informative and showed careful research.

Room 12 has a new classmate in the high fifth. He is Robert Hagglund from Sacramento.

Room 15 led W. W. E. in selling War Bonds.

The pupils of Room 14 hope that Shirley Neumann will soon be back at school after her long illness.

AT CROCKER

Over the week-end Thomas Leach, Room 2, went to Sonoma county on a fishing trip with his father.

During the Fourth War Loan drive, the students of Room 3 made a fine bond selling record. Their total sales reached $318.75.

The pupils of Room 4 were shown a film, "Egypt—Land of the Pyramids," during their social science period. This showed many river scenes along the Nile river as well as the Pyramids and the Sphinx.

An interesting film was shown to the girls and boys of Room 6 during their social science period. This picture, entitled "Reforestation," correlates with the unit on natural resources and how to conserve them.

AT JEFFERSON UNION HIGH SCHOOL

By Verna Moresco

SPEAKER

On Friday, February 25, the Jefferson student body was honored to have as their speaker, Rabbi Ferdinand M. Isserman from St. Louis, Missouri, who volunteered his services to the Red Cross last year and served in North Africa during the recent campaign.

He has had many experiences which brought him into contact with men at the front, and he had a thrilling story to tell.

He was one of the best speakers Jefferson has had recently.

CLASS OFFICERS

It seems that the class officers are "vice-versa" this time, in that the boys have taken over. There is only one girl among all the officers.

For the sophomores: Bob Cole, president; Ben Picetti, vice-president; Alice D'Isep, secretary-treasurer. The freshman officers are Gilbert Thompson, president; Ed Milano, vice-president; Don Rutherford, secretary-treasurer. The juniors chose Don Welsh for president; Dan Shannon, vice-president; and Don Bortis, secretary-treasurer. (Notice Don, Dan, and Don).

Last but not least, officers for the senior class are: Ken Hatt, president; Ed Lowry, vice-president; and Harry Kent, secretary-treasurer.

PARTY

The party last week for the freshmen, Thursday, February 24, proved to be a success. It was given for the purpose of introducing the freshmen and transfers to the different activities of the campus. There were approximately thirty freshmen present, and with the executive board, members of the C. S. F., and the band, there were about eighty in all present.

Music was furnished by the Indians of Rhythm.

Lenore Ross, student body president, and Don Van Kirk, vice-president of the Block "J" society were present, as were Deloris Thomas, vice-president; Lois Rich, secretary, and Marjorie Schreiber, treasurer.

Refreshments consisting of cake and soft drinks were served. On the refreshment committee were Esther Hukari, Betty Pistohl, Norma Hagen, and Doris Hite.

Barbara Blecher was head of the entertainment committee. Games such as "Poison Ivy" and "Musical Chairs" were enjoyed by all.

CHORUS

Last Thursday and Friday, Oscar Busch, chorus director, was busy with try-outs. He stated he had fine material with which to work.

To prove there is quite a bit of work to it, there are seventy members of the chorus in just one period.

NATURALISTS

Prospective members for the Jefferson Naturalist society are Art McDonald, Ernestine Minnick, Ben Picetti, Peter Ramer, Roberta Miller, Bill Higgins, and Byron Kimler.

Plans are being completed for the trip to the San Mateo Memorial park some time in April.

ASSEMBLIES

On Tuesday, February 29, at 1 p. m. a concert was presented in assembly featuring Rose Resnick, a blind pianist and entertainer.

Miss Resnick received her M. D. in music at the University of California.

On the program Miss Resnick had her beautiful seeing-eye dog. After a group of piano arrangements she demonstrated the Braille system of writing and explained how Braille books are made for the blind.

This work is directed by the National Transcribers Society for the Blind of Palo Alto.

NEW SERGEANT-AT-ARMS

The newly approved members of the sergeant-at-arms committee are Bob Olson, Rita Lozano, Art Valverde, Don Welsh, Colleen Robin, Paul Schmidt, and Ray Hollingsworth.

"Kiss And Tell" To Return To S. F.

"Kiss And Tell" is coming back to San Francisco. George Abbott, who produced and directed the hilarious comedy which played the Curran for ten weeks earlier this season, has heeded the demand of the management of the Geary theatre, and a limited engagement begins at that house Tuesday evening, March 7. A Monday evening opening is impossible due to transportation facilities, which cannot carry the production from Seattle in time for a Monday opening.

Since leaving San Francisco last December, successful engagements have been played in Los Angeles, and other Southern California cities, and Portland, Vancouver and Victoria, B. C., and currently at the Metropolitan theatre in Seattle, which has a two weeks' booking.

The same New York cast that delighted San Francisco theatre goers at the Curran, will be seen at the Geary, headed by Katherine Alexander, Jack Davis, and June Dayton.

Three other companies are still playing to capacity business in mid-western and eastern cities. "Kiss and Tell" was written by F. Hugh Herbert.
